

# NIGHT HAWK

## FEATURES

- Koawool sealed door.
- Precisely machined draft controls (the primary air wheel is at the bottom for starting the fire; the secondary wheel is on the fire door for pre-heating air after the fire is well started).

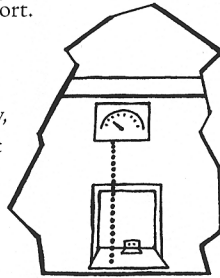

- Cast iron flue collar.
- Large capacity firebox for a 10- to 14-hour refueling cycle.
- Side door access to the extra large, cast iron, inner fire door, for easy firing of large pieces.
- Cast iron smoke curtain which swings back to allow easy refueling.
- Cast iron smoke pipe collar ideally situated for front of fireplace installation.
- Rich brown, baked enamel finish.

- Heavy, ridge, cast iron firebox bottom, cast iron lining, heavy duty baffle and smoke pipe collar. The cast iron top has 2 finned covers for higher cooking temperatures.

### Optional Equipment:

- Powerful blower, which circulates air around the heater and down onto the floor, for extra comfort.
- Thermostat, which controls the heated secondary air supply, providing automatic heat control and maximum combustion efficiency.

## SPECIFICATIONS

### Casing

Width	24" (61 cm)
Length	36" (91.4 cm)
Height	33" (83.8 cm)

### Installation Clearances

Above	48" (121.9 cm)
Front	36" (91.4 cm)
Left Side	12" (30.5 cm)
Right Side	48" (121.9 cm)
Rear	18" (45.7 cm)
Flue	18" (45.7 cm)
Floor	Non-combustible

### Weight

275 lbs. (125 kg)

### Flue Size

6" (15.2 cm)

### Fire Box Size

Width 15.5" (39.4 cm)  
Length 28" (71.1 cm)

### Colour

Decorator Brown
