

MONARCH *Inspiring Tradition*

WRAPPED IN LUSTROUS BLACK porcelain and gleaming nickel plate, the Monarch reigns as the world's most decorative cook stove. Its enduring beauty, hand-forged over a century and a half, echoes the elegance of a bygone era and makes the Monarch an heirloom your family will treasure.

Exclusive Enterprise features:

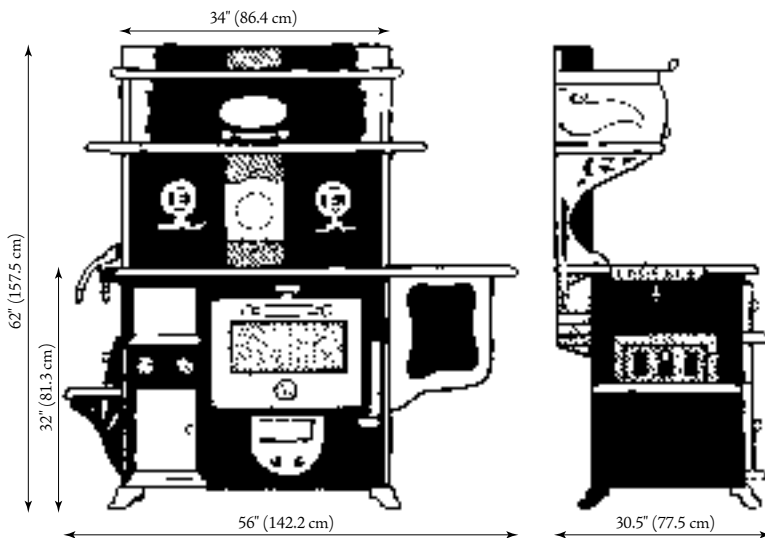

- 3-way loading for wood or coal
- Extra large oven window
- Nickel plated cast iron oven rack
- Stay-cool cherry handles
- Warming closet with roll-up door
- 2 beautifully embellished trivets
- 33" nickel plated towel bar
- 2 nickel plated side shelves
